

Mathematics

This term children will be learning to add and take away numbers. They will also explore the properties of 2D and 3D shapes.

Literacy

This term we will be using our sounds to help us blend and read simple words and sentences.

We will use our sounds to help us build simple sentences.

Personal, social, emotional development

Can you play in a group, suggest and share ideas?
Can you tell others how you feel?

Understanding the world

Children will begin to understand the different occupations and ways of life. They will be encouraged to develop positive relationships with community members.

Reception-Autumn 2

People Who Help Us

Physical development

Can you form letters correctly?
Can you try to dress yourself?
Can you use a pair of scissors safely?

Expressive arts and design

Children will begin to work cooperatively as part of a group to develop and act out a narrative.
Children will explore using different tools for a purpose.

Communication and language

Can you talk to an audience?
Can you listen to stories carefully?
Children will begin to understand 'why' and 'how' questions.

Characteristic of effective learning

Can you think of your own ideas?
Can you share your ideas with others?
Can you try a challenge?

PE

Please remember to: Bring your PE kits and suitable footwear.

ENRICHMENT

We will be having special guests to come and visit us such as the fire brigade, police officers, a nurse and a cook.

Christmas Nativity

Parents and carers will be invited to watch reception perform the Christmas nativity
