

### ENGLISH

Reading, writing and spellings are all taught through RWI

### MATHS

- Fractions
- Geometry – position and direction and properties of shapes
- Measurement (money, time)

### RE

What does it mean to belong to Christianity?

### PHSE:

Living long and living strong

### PE Gymnastics

Children will learn a variety of stretches, rolls and jumps. They will work on the floor and on apparatus.

*Remember to bring your PE kits every Monday, and take home on Friday!*

### THE BIG BANG!

Follow the yellow brick road—children will follow the yellow brick road around the school until they find Oz!

### THE FANTASTIC FINALE!

A Wizard of Oz concert!

## Year 1—Spring 2 The Wizard of Oz

### ENRICHMENT

Dressing up for the Wizard of Oz

World Book Day— Roald Dahl’s George’s Marvellous Medicine and a Science investigation.

### GEOGRAPHY

Children will follow the yellow brick road and will learn to use simple compass directions (North, South, East, West). They will devise a simple map, using symbols and a key.

### SCIENCE: Humans and animals

Why isn’t the Tinman human?

### COMPUTING

Can I use the internet to search for different types of stories?

### P4C

Is it more important to be kind (have a heart) or be clever (have a brain)?

### Art

Use shading and blending to create animal patterns.
