

Reading: We will continue to partake in different reading activities each morning. These include illustration work, comprehension work, guided reading with the teacher, role play and sound hunts!

Writing:

- Setting description
- Instructional writing
- Persuasive letter

Maths:

- Measurement, Geometry and number.
- We are also trying hard to remember our 2, 5 and 10 times tables.

Science: Keeping Healthy

We will be exploring the five food groups and what humans need in order to survive.

Key investigation:

What happens to my body when I exercise?

History:

Who was Florence Nightingale and how did she help people?

Who was Mary Seacole, and how did her experience compare to Florence's?

Who was Edith Cavell, and how did she help people?

What were the similarities and differences between the lives of Florence, Mary and Edith?

P4C Link: Are females always equal to males?

Year 2 - Spring 2

Fantastic Females!

Mary Seacole - Florence Nightingale - Edith Cavell

Art & Design:

Can I create a portrait in the style of Paul Klee?

P.E

Striking and fielding games

Remember to bring your PE kits every Monday, and take home on Friday!

Fantastic Finale!

Open evening where we will showcase our learning with parents/carers

Enrichment:

On International Women's Day, we will be celebrating and appreciating all the special women in our lives.

RE: Easter

PSHE: Health and well being
