MATHS

Place Value: Identify, represent and estimate numbers using different representations. Count backwards through 0 to include negative numbers.

Addition and Subtraction: add and subtract numbers with up to 4 digits using the formal written methods. Solve addition and subtraction two-step problems

Multiplication and Division: recognise and use factor pairs and commutatively in mental calculations. Multiply two-digit and three-digit numbers by a one-digit number using formal written layout. Solve problems involving multiplying and adding.

Fractions: Recognise and show, using diagrams, families of common equivalent fractions. Solve problems involving increasingly harder fractions to calculate quantities.

RE: Hindu worship

PHSE: Health and Wellbeing

FRENCH: My Town (Describing places in their local area and giving directions)

PE

4K – Football

4MK– Hockey

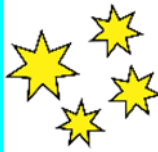

4M – Basketball
