PE

This term PE will be alternating between Tuesdays and Fridays

6OB—Gymnastics

6B—Basketball

6BA— Tag Rugby

Please remember to bring your PE kits every Monday, and take home on Friday

THE BIG BANG!

An archaeological dig to find rare fossils from the pre-historic period!

THE FANTASTIC FINALE!

Create a piece of poetry for a YouTube performance!

YEAR 6 – SPRING 1 EVER EVOLVING!

RE:

Religious Leaders

PHSE:

My health and Wellbeing

French:

La famille (My family)

Revision:

In preparation for the SATs, it is vital that all children are revising regularly at home. Each week, they may take home their revision folder which will contain work they have completed in class, in order to guide them.

SCIENCE

Unit: Evolution and Inheritance

- Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
- Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

Key line of enquiry:

Why do animals evolve and change over time?
