Core English Text: Writing Units: Reading Text:

- Information Text
- Setting Description
- Character Description

MATHS

Addition and Subtraction:

Add and subtract numbers with up to 3 digits, using formal column methods

Multiplication and Division:

Recall and use multiplication and division facts for the **3, 4 and 8** multiplication tables

SCIENCE Unit: Plants

Key investigation: *What do plants, such as Kapok trees, need in order to grow? What happens when a Kapok Tree drinks water?*

Pupils will explore the requirements of plants for life and growth and investigate how water is transported in plants.

THE BIG BANG!

To use later on in their DT unit, children will plant seeds to grow herbs that can be used in their smoothies.

THE FANTASTIC FINALE!

Children will sell tropical fruit drinks to raise money for a rainforest charity.

ENRICHMENT

A visit to West Ham Park for geographical fieldwork and scientific enquiry (life cycle of flowering plants)

DT

Can I design and make a healthy fruit drink?

Year 3 - Summer 1

The Great Kapok Tree

RE

How do Jewish people celebrate?

PHSE

Rights and responsibilities and taking care of the environment.
