Year 2 – Autumn 1

It's a Bugs Life

ENRICHMENT

A bug hunt at Forest Lane Park including sessions from a Park Ranger!

Geography

We will be planning the route we will take to the park then identifying the human and physical features along the way.

SCIENCE

Unit: Living things and their habitats

Key investigation: Where do worms like to live?

Pupils will create their own bug hotels with choice chambers to identify which habitat the worms prefer.

Design & Technology

We will making our own bug hotel with choice chambers using a range of materials.

The bug hotels will then be part of our science investigation!
